

RFO Yard Sale

RFO will be having a yard sale on **Saturday, June 1**,
to dispose of unneeded RFO property.

This includes a number of donated telescopes, telescope parts, eyepieces and
accessories in various states of repair and disrepair.

It also includes general items of an
office and hardware nature.

An inventory of the items will be published on the RFO website
approximately 30 days prior to the sale.

www.rfo.org

Date, Time & Venue

Saturday, June 1, 2013 sales from 11:00 to 4:00.

RFO Observatory, Sugarloaf State Park, 2605 Adobe Canyon Road, Kenwood, CA.

Sales will be outside on tables set up in the upper parking lot just outside the observatory.
In the event of rain, we will move into the classroom, or other rooms as needed.

Spread the Word

The sale is open to the public.

June 1 is a Public Observing Day with both Solar Observing and an evening Star Party.
Please spread the word and bring your friends.
